

Preschool Program

*Come see what makes
us different!*

Shrewsbury Christian Academy offers both a Pre-K3 and Pre-K4 program where your child will gain social, emotional, academic, and spiritual skills. We use fun thematic units taught at a developmentally appropriate level in a safe and loving Christian environment.

We realize the importance of encouraging independence, and offer stimulating learning centers in the classroom. Both the Pre-K3 and Pre-K4 classes visit our library regularly. Pre-K4 also has physical education as well as technology class.

Pre-K3: Tuesdays and Thursdays
Pre-K4: Mondays, Wednesdays, and Fridays
